### **Organization Chart**

## **Department of Public Safety**

#### **Mission Statement**

The Department of Public Safety is responsible for providing fire and police protection in the fire and police special service districts, operating an animal care and control division, providing emergency management planning, and operating a division of weights and measures in support of the City's vision of "Assuring Personal Safety, Strengthening Neighborhoods, Developing a 21<sup>st</sup> Century Economy and Preparing Our Youth" by protecting the lives, rights, and property of the Citizens of our City, and maintaining the public order.

#### **Highlights of Public Safety**

The department's five divisions, Animal Care and Control, Emergency Management Planning, Weights and Measures, Fire, and Police, emphasize the safety of the citizenry. During the year 2006, the Department of Public Safety plans to continue to provide Indianapolis citizens with public safety services that are responsive, reliable, high quality, and cost-effective through excellent customer service and community involvement. Below are highlights from 2005 and initiatives planned for 2006 by the Department of Public Safety:

- The Department of Public Safety Website is available the INDYGOV Home Page at <a href="http://www.indygov.org/pubsafety.htm">http://www.indygov.org/pubsafety.htm</a>
- DPS and EMPD continue to coordinate volunteer programs and relationships, including coordination with the American Red Cross (ARC).
- In 2005, EMPD has received a substantial amount of grant awards to support the Homeland Security initiative.
- DPS and the Indianapolis Fire Department continue to provide management and support to Indiana Task Force - 1, our Federally Funded local Urban Search and Rescue Team, which is currently expanding capabilities to include Weapons of Mass Destruction (WMD) response.

- DPS and the Animal Care & Control Division implemented new kennel management system software in 2003, that has enabled better tracking of animals and citizens' requests for service.
- Animal Care and Control continues it's Canine Crime Stoppers program, a first-of-its-kind effort to combat dog fighting before it becomes a crisis in Marion County. In its first three months, the hotline generated more tips than ACC received in the last two years combined.

2006 Annual Budget

### **Department of Public Safety**

SERVICE AREA: Director's Office

Activities: Provides Executive Management of the department and conducts Public Safety Board Meetings including maintaining

the Official Board Meeting Agendas and Minutes, provides the funding for Public Safety's share of The Office of Corporation Counsel (legal) costs, provides Administration & Financial Management for the department and its Divisions, includes the Citizen's Police Complaint Office, which receives, tracks, and administers complaints made against Indianapolis Police Department Officers. The Citizen's Police Complaint Office also provides administrative support to the Citizen's Police Complaint Board whose members are appointed by the Mayor and the City-County

Council to consider all complaints which it deems appropriate to process and review.

Objective: To administer and coordinate efforts among the five divisions of the department: Police, Fire, Weights & Measures.

Emergency Management Planning, and Animal Care & Control.

#### Service Commitment:

In the coming year, the director's office service area will:

conduct monthly Board of Public Safety Meetings open to the public,

- fund, receive, and utilize, legal advice from the Office of Corporation Counsel related to minimizing financial impact of Public Safety issues and developing legally sound public policies and Public Safety initiatives,
- provide administrative, financial, contract, grant, asset, and project management, along with policy management support to Public Safety Divisions.
- direct preparation of the Department of Public Safety portion of the Mayor's Annual Budget Request,
- · provide monthly Public Safety expenditure and revenue forecast reports with variance analysis to the Board of Public Safety,
- · provide monthly reports on status of citizen's police complaints to the Board of Public Safety,
- provide the disposition of a police complaint within one hundred twenty (120) days of the date the complaint is received by the office.

SERVICE AREA Emergency Management Planning

Activities: Preparation, planning, and mitigation activities designed to minimize the impact of catastrophic events on the County.

Objective: Coordinate and direct the development of a program of emergency management for Marion County. This program shall

involve all sectors of government and the private sector; shall address all threats or emergencies from all hazards, including natural, technological, man-caused and national security hazards; and shall include mitigation, preparedness,

response and recovery activities.

## **Department of Public Safety**

#### Service Commitment:

In the coming year, the emergency management planning service area will:

- continue an annual replacement / relocation program with the acquisition of two new sirens per year.
- review, disseminate, and maintain in current status the County Emergency Operations Plan and the County Hazardous Materials Plan which addresses in detail the response to and recovery from major emergencies occurring in Marion County.
- increase our outreach to citizens through our Severe Weather Awareness seminars and our Community Emergency Response Team programs, with added emphasis in the Spanish speaking communities,
- increase the awareness within public safety agencies of the services available through the Division,
- increase our field response capabilities through the creation of a Reserve Division of citizen volunteers,
- · continue in our National Security missions with regards to Homeland Defense, terrorism, and weapons of mass destruction,
- manage an emergency operations center to which senior government officials and chief coordinators designated in the County Emergency Management Plan may respond to formulate and disseminate decisions regarding the management of a major emergency,
- · coordinate the development and execution of tests, drills and exercises of the emergency management system or any of its parts,
- be responsible for monitoring hazardous conditions of any kind in the county; making recommendations to the director of public safety and the
  Mayor concerning emergency measures; activating the County Emergency Management Plan after the declaration of a local disaster
  emergency by the Mayor; and for coordinating response and recovery operations associated with a major emergency,
- serve as the civil defense agency for Marion County.

SERVICE AREA: Weights & Measures

Activities: Weights & Measures inspects and tests all weighing and measuring devices in the County for accuracy at least once

every year.

Objective: To comply with Indiana State Law by performing an inspection/test on all weighing and measuring devices within Marion

County at least once annually to provide equity in the marketplace. To protect the consumer as well as the wholesaler

and retailer against incorrect weight or measurement on a device and/or commodity.

#### **Service Commitment:**

In the coming year, the weights and measures service area will:

- attain and/or develop in-house training to maintain professional competence for all 6 Weights & Measures personnel through training,
- provide assistance and training as needed/requested to device operators/owners in attaining professional competence in the use and maintenance of weighing, measuring, and counting devices for the purpose of promoting confidence and equity in the marketplace,
- inspect prescription weights for accuracy and reject weights that are not accurate,
- · inspect scales and reject scales that are not accurate,
- inspect taxi meters and reject meters that are not accurate,
- inspect all gasoline, kerosene, and diesel pumps in the County during 2006 and reject pumps that are not accurate,
- check accuracy of listed label weight on packages and condemn packages that are not labeled with accurate weight.

# 2006 Annual Budget

### **Department of Public Safety**

SERVICE AREA:

Animal Care & Control

**Activities:** 

The Animal Care and Control Division enforces animal-related laws, investigates and provides control of stray and aggressive animals, provides care for and seeks placement of animals received at the shelter, and promotes responsible pet ownership.

Objective:

To work in partnership with the community to address problems associated with pet overpopulation, promote responsible pet ownership, and enhance the health and safety of the community. The division encourages the adoption of pets, enforces ordinances and laws regarding animal-related issues, and conducts inspections for the licensing of facilities that sell, groom, and kennel animals.

Dog fighting and associated animal cruelty continues to be a problem in Indianapolis. With one conviction, and two felony cases pending, Animal Care & Control continues to place the highest priority on this sad and dangerous lifestyle.

In 2005, Animal Care & Control is on pace to release more animals than ever before through adoption, returns to owner or transfer programs (to other partner shelters and animal welfare agencies). Euthanasia at the shelter is on pace to be among the lowest totals of the past 20 years.

#### Service Commitment:

In the coming year, the animal care and control service area will:

- continue to play a community leadership role on animal-related issues;
- educate the public on the problems associated with pet overpopulation;
- · seek ordinance revisions where appropriate;
- increase partnerships with other shelters and animal welfare groups to find placements for animals; and
- continue to aggressively enforce animal-related ordinances to prevent offenders from becoming repeat violators

## **Department of Public Safety**

#### **Mission Statement**

The Indianapolis Police Department upholds the highest professional standards while enforcing laws that protect life and property, as well as respecting individual rights, human dignity, and community values. Through community policing, the Department commits to creating and maintaining police and community partnerships while helping citizens identify and solve problems to improve the quality of life in their neighborhoods.

#### **Highlights of the Indianapolis Police Department**

During the year 2005, the Indianapolis Police Department will:

- focus the department's efforts on those activities that produce the most effective improvement in the quality of life in neighborhoods for the resources utilized. Reduction in property crimes such as burglary and vehicle theft will be a focus and plans to combat this increase will be based on good data collection and analysis from criminologists. This will be a cooperative effort of Operations, Investigations, and Administration.
- increase outreach efforts to all segments of the community and continue building partnerships with the growing Hispanic community. Continue IPD/IFD Spanish language training partnership that uses a three-state process: (1) emergency training of all officers; (2) conversational training with representatives from all units; and (3) an immersion program to develop fluency.
- improve communication with citizens to identify those problems causing the greatest amount of concern, using the district community task force and block clubs and by establishing e-mail trees for more real-time information.
- Provide responsive and effective criminal investigations.
   Investigations will become a more integral part of planning stages of crime action plans.

- Develop and maintain a training program in the operation of vehicles in emergency/pursuit situations,
- Renew focus on violent offenders through the VIPER (Violence Impact Program and Enhanced Response) program and target the most violent 200 offenders for closer scrutiny,
- reduce crime and disorder problems caused by the use and sale of illegal drugs through aggressive enforcement, nuisance abatement, and coordination,
- focus efforts on directed patrols in areas experiencing the impact of violent crime,
- Conduct compliance visits of all registered sexual offenders int eh city and pursue violations discovered with the prosecutors office for new charges,
- Expand the role of the Safe Streets unit to work more closely with the FBI
- Maintain two helicopters in a manner that lends the most efficient use in patrol. Acquire the ability to view real-time pictures of major events occurring in our city through the eyes of the helicopter. This will enhance incident commanders' ability to command and control resources.

### **Department of Public Safety**

- impact rates of youth crime and victimization by supporting youth programs and services such as the Police Athletic League, and the Mayor's Indianapolis Commission on African-American Males and by carrying out Curfew and Youth Safety plans created by the districts,
- engage the community in a problem-solving partnership to address law violations and to develop strategies for meeting the public safety concerns of neighborhood residents beyond individual crime incidents,
- contribute solutions to chronic jail overcrowding problem through efficient and effective management of Arrestee Processing Center (APC).
- Plan for and acquire alternative power sources for key locations, such as district roll calls to ensure continued service for citizens during times of man-made or natural disasters.
- Plan for and carry out the hardening of key city buildings in the event they are or become terrorist targets.
- Continue to move toward better interoperable communications with MECA, and other city/county agencies to ensure coordination during large scale planned and unplanned events.
- Develop better techniques for tracking both personnel and material to assist with planning, logistics, and finance of Incident Command.
- Implement new crime analysis software to increase predictive ability of crime analysts,
- Focus on the issue of aggressive panhandling through enforcement, training of officers and educating the public,
- · Take an aggressive approach toward violent street gangs,

- improve the effective deployment of resources through crime analysis and data mapping techniques,
- continue outreach to neighborhoods through walking and bicycle patrols, especially those experiencing high crime. Support bike officers with continued maintenance of equipment, training, and replacement of worn-out resources.
- continue growth of CIT program to improve services to mentally ill population. Focus on training officers in an effort to share training with probationary officers,
- continue to improve efficiency and safety in planning and staffing major special events,
- Schedule and participate in Domestic Preparedness training for officers, supervisors, and the public,
- Develop better methods of information-sharing globally through a new criminal and terrorist information <u>Fusion Center</u> in partnership with the Indiana State Police and Indiana Department of Homeland Security,
- Enhance collaboration between Crime Stoppers, Safe Streets
  Task Force, Crime Analysis and the Indiana Fusion Center to
  identify dangerous criminals, potential terrorists, or crime ridden
  locations and provide effective analysis to improve law
  enforcement and neighborhood safety,
- Establish guidelines and acquire equipment needed for a police response to a hazardous material situation where self-contained breathing apparatus is needed,
- Improve capabilities to detect nuclear, biological and chemical weapons and develop response policies to keep up with the everchanging terrorist landscape,
- Participate in Urban Area Strategic Initiative involving both Marion and Hamilton Counties for a coordinated response to terrorism, or other major unplanned events.

## 2006 Annual Budget

### **Department of Public Safety**

SERVICE AREA: Community Policing

Activities: Foster relationships with key stakeholders in the community to identify and prioritize crime and disorder issues that

negatively impact the quality of life in Indianapolis. Develop strategies with citizen input to address and alleviate

those problems and prevent their reoccurrence.

**Objective:** To impact those factors that negatively affect the quality of life and economic health of the community in such a

manner that residents perceive a real improvement in the value of Indianapolis as a place to live, work, and visit. To

focus the department's efforts on those actors, activities, and locations that most negatively affect the city.

#### Service Commitment:

In the coming year, the community policing service area will:

- reduce illegal drugs by identifying the supply of drugs and the method and location of sale, then work to stop its flows. First line officers will coordinate with investigative units to augment abilities and avoid duplication of effort.
- distribute 911 cell phones to victims of domestic violence, provide counseling to crime victims, and encourage participation in crime
  prevention seminars offered by the Department. IPD will work with community contacts to develop quick and efficient method of
  information-sharing such as an e-mail tree where information is shared through modern technology rapidly.
- work with state, local, and federal law enforcement and courts, probation, and prosecutor. IPD will continue its participation in IVRP (Indiana Violence Reduction Partnership), Project Safe Neighborhoods, and Weed & Seed.
- target crime Hot Spots by using crime analysis, mapping, and analysis of intelligence data, identify those locations with the highest incidence of criminal activity. IPD will collect and disseminate date in a more efficient manner to ensure information provided is timely and shows current and emerging trends.
- target the worst offenders using crime and data analysis, surveillance, inter-agency communication, and monitoring,
- identify and partner with neighborhood stakeholders to improve relationships,
- provide safe special and community events by working with event organizers and city agencies to plan the most appropriate level of police response,
- improve minority partnerships by improving communication and fostering understanding by expanding the conversational Spanish and immersion training program.
- continue to work with neighborhoods to identify problems and deliver quality services,
- guarantee professional and effective investigation of crimes by providing detectives with the tools needed to maintain a high level of investigative skills,
- ensure prompt and efficient response to requests for police services by maintaining adequate staffing to allow officers to respond promptly
  to calls for their assistance and using neighborhood resource units as problem solvers with coordinated efforts and communications with
  other units within and without the districts.
- provide a comprehensive 26-week training program for new recruits, and require incumbents to complete a minimum of 16 training hours per year to keep skills up-to-date.
- Enhance domestic violence investigations to reduce incidents of abuse and violence.

### 2006 Annual Budget

### Department of Public Safety

**SERVICE AREA:** Arrestee Processing Center

Mission Statement We are committed to the highest professional standards in the community, in which we work and live. We are dedicated to the

safety of arrestees and our staff while maintaining respect for individual rights and human dignity.

#### **Service Commitment:**

The Arrestee Processing Center (APC), which opened in August 2003, was established to bring greater efficiency to the overall criminal justice system and to address specific problems that were present in the processing of offenders. The IPD-controlled holding area of the center is staffed by 80 extensively trained civilian employees and one sworn captain who serves as the commander. The APC processes all persons arrested in Marion County and has proven to be effective and efficient in doing so. The processors assigned to the APC utilize an assembly line format with stations for processing the arrestees in a cohesive and coordinated manner. The center processed approximately 55,000 arrestees in its first full year of operation.

The Arrestee Processing Center houses nearly all components of the Marion County criminal justice system. This includes divisions of law enforcement through the IPD and the Marion County Sheriff, the Marion County Superior Court, the Marion County Clerk, the Marion County Conditional Release, Marion County Community Corrections, the Marion County Health and Hospital Corporation, and the Marion County Justice Agency. Voluntary STD testing began in late 2004 and continues this year. Arrestees testing positive for and STD are provided free treatment/medication.

SERVICE AREA: Administration & Human Resources

Activities: Setting performance standards, planning and researching, developing and supporting data processing activities, and

providing personnel administration.

Objective: To facilitate and coordinate the implementation of cross-divisional activities which provide internal services to all IPD

Divisions.

#### **Service Commitment:**

In the coming year, the administration & human resources service area will:

- recruit, hire, and train additional officers and civilian support staff that reflect the community we serve,
- establish and manage the direction, programs, and policies of the Department,
- provide support for all computer and data processing needs, specifically those unique to law enforcement.

### 2006 Annual Budget

### **Department of Public Safety**

SERVICE AREA: Financial & Grant Management

**Activities:** Pursue adequate funding for Department through local, state, federal, and seized funds.

Oversee the distribution of all Department funds.

**Objective:** To ensure financial resources are utilized appropriately and in accordance with federal, state, and local laws.

#### **Service Commitment:**

In the coming year, the financial & grant management service areas will:

 budget for and acquire, at the best possible price, the needed goods and services that allow the Department to carry out its community policing, enforcement, and support activities,

provide proper compensation and benefits to sworn and civilian employees and assist them with benefit-related needs and issues.

 aggressively seek and manage grants for community policing activities, directed enforcement projects, and advanced police investigative and technological equipment and training.

#### INDIANAPOLIS POLICE DEPARTMENT PENSION OFFICE

#### Mission Statement

The Indianapolis Police Department Pension Fund is dedicated to serving retired officers, widows, and dependent children, and provides efficient service through a commitment to the enforcement of laws that protect the proceeds of the Pension Fund. The main purpose of the Indianapolis Police Department Pension Office is to keep records on pensioners' taxes, insurance, and benefits status, and to ensure accurate, timely disbursement of pension payments, as well as assist pensioners with their benefit questions and issues. The office also assists families of both retired and active police officers in the event of death.

The division maintains two police pension plans, namely the 1953 Pension Act, funded by the City of Indianapolis, and the 1977 Plan, funded by the State of Indiana with contributions by the City to the 1977 Police Pension Disability Fund.

In 2002, Senate Bill 60 enacted Indiana's Deferred Retirement Option Plan (DROP) into law. This law provides that the plan will run from January 1, 2003 through December 31, 2007. All pension funds are included; the 1925, and1953 Police Pension Funds, as well as the 1937 Firefighters Pension Fund, and the 1977 Police Officers' and Firefighters' Pension and Disability Fund. Generally a DROP is a form of retirement benefit that allows an eligible employee to continue working while the employee is accumulating an amount equal to the benefits that could have been received if the employee had retired. This amount is thus, set aside, and then paid as a lump sum to the employee that has elected into the DROP program, upon their retirement. The Indianapolis Police Department is now required to appropriate funds for the DROP program, in order to make projected payments to retirees in 2005.

#### <u>Highlights of the Indianapolis Police Department Pension Office</u>

Benefits are paid beginning at 50% of the pension base for a 20-year police officer increasing to 74% of the pension base for 32 years of service. 17 officers have indicated they will retire in 2006 and utilize the DROP program.

## **Department of Public Safety**

#### Indianapolis Fire Department

#### **Mission Statement**

The mission of the Indianapolis Fire Department is to provide appropriate, safe, and professional response to fire, medical and environmental emergencies. The Department is dedicated to minimizing the loss of life and property through suppression, rescue, code enforcement, investigation, public education and other innovative programs.

#### Highlights of the Indianapolis Fire Department

During the year 2006, the Indianapolis Fire Department will:

- Reduce the number of sworn firefighters by 44 positions, 5 of these positions will come from the non-suppression divisions.
- The remaining 39 positions will be reduced in the suppression division.
- Maintain emergency response times that meet the national average of 4 minutes or less,
- Level of service will be maintained by relocating equipment to stations that enhance the capabilities of multi-tasking emergency service within the Fire Service District.
- These stations are geographically located as to be able to absorb the run loads for the equipment reduced by the inability to continue to this level of service.
- Respond to more than 55,000 situations involving fire, medical emergencies, environmental emergencies and various forms of rescue.

- ensure the safety of the public through quick, safe and efficient response to incidents including but not limited to fire, medical emergencies, hazardous materials, water rescue, confined space rescue, vehicular extrication, natural disasters and urban search and rescue.
- enforce codes and offering community services to promote and enhance the safety of the community through family emergency preparedness, victim assistance and special community events,

- increase its number of community outreach programs, which include education concerning health and preventable accidents,
- stem the crime of arson and continue to exceed the national clearance rate for the crime of arson through a joint police/firefighter investigation approach,
- work to improve health, fitness and safety programs that affect firefighters,
- work to ensure the enforcement of codes that affect fire safety in our community,

- educate more than 50,000 children in fire safety through the Survive Alive Program,
- continue to improve the inventory of equipment that affects the safety of firefighters, including emergency vehicles, breathing apparatus, and protective clothing,
- manage the County Urban Search and Rescue Program,
- continue or establish programs that will educate the public concerning prevention of fire and accidents, especially those involving children.

# 2006 Annual Budget

### **Department of Public Safety**

**SERVICE AREA:** Emergency Medical Response

Activities: Respond to more than 45,000 medical emergencies using trained paramedics and emergency medical technicians.

Objective: To ensure that firefighters are trained, equipped and prepared to respond in a timely, professional manner to medical

and trauma-related emergencies.

#### **Service Commitment:**

In the coming year, the emergency medical response service area will:

 provide 707 emergency medical technicians and paramedics to respond to medical emergencies such as cardiac arrest, diabetic coma, seizure and respiratory distress,

• provide trained rescue personnel to respond to incidents involving trauma caused by accidents, assaults and vehicular accidents.

SERVICE AREA: Fire Suppression

Activities: Respond to more than 10,000 fire emergencies involving vehicles, vegetation, residences, and commercial and public

buildings.

**Objective:** To minimize the loss of life and property through fire incident mitigation.

#### **Service Commitment:**

In the coming year, the fire suppression service area will:

ensure that firefighters are trained and equipped to safely and effectively respond to fire emergencies,

· minimize the loss of life and property due to fire.

**SERVICE AREA:** Apparatus and Fire Station Support

Activities: Provide repairs and maintenance for all fire department apparatus, equipment and stations.

**Objective:** To maintain fire apparatus and fire stations to ensure optimal emergency service.

#### Service Commitment:

In the coming year, the apparatus and fire station support service area will:

maintain the highest standard of maintenance on fire equipment and fire stations.

• repair and replace emergency apparatus, in accordance with the departments vehicle replacement plan.

plan and design for fire station renovation or replacement as needed.

### 2006 Annual Budget

### **Department of Public Safety**

**SERVICE AREA:** Rescue and HAZMAT Response

Activities: Respond to incidents involving hazardous materials, decontamination, confined space rescue, top water rescue, dive

rescue, urban search, high angle rope rescue and vehicle extrication.

**Objective:** To ensure ongoing training and equipping of rescue personnel and hazmat technicians in the various rescue disciplines.

#### Service Commitment:

In the coming year, the rescue and HAZMAT response service area will:

 ensure timely response to rescue and hazardous materials emergencies in Marion County and anywhere in central Indiana where rescue services are requested. The Indiana Department of Homeland Security has designated the Indianapolis Fire Department as the Region 5 response team in the event of any incident where they are needed. The average response time within IFD's jurisdiction is 3 minutes,

ensure that the firefighters on the rescue teams are adequately trained and equipped for response,

· train and equip firefighters to respond to and mitigate situations involving domestic terrorism,

ensure that firefighters are trained to respond to incidents involving mass casualties.

**SERVICE AREA:** E-911 (IFD Communications Center)

Activities: Answer and ensure appropriate response to all emergency calls involving the Indianapolis Fire Department, Marion County

fire departments and Wishard Hospital.

Supply radio and communication equipment to IFD

Objective: Maintain adequate equipment, resources, and staffing to facilitate the handling of all E-911 calls for service routed to the

Indianapolis Fire Department Communications Center.

#### **Service Commitment:**

In the coming year, the E-911 service area will:

• provide appropriate fire, emergency medical and rescue dispatch services to the areas served by Wishard Hospital and all Marion County Township fire departments .

seek methods and technologies to improve communication center activities,

· provide statistical data on communication center activities to user departments,

provide public education on accessing and the proper use of Fire and Medical Emergency Dispatching.

## 2006 Annual Budget

### **Department of Public Safety**

**SERVICE AREA:** Administration/Human Resources

**Activities:** Provide the human resource needs and administrative support for all IFD sworn and civilian personnel.

Objective: To ensure that IFD personnel systems and administrative support are objective, job related and adequately funded.

#### Service Commitment:

In the coming year, the administration/human resources service area will:

 ensure that the various divisions of IFD reflect the diversity of the community by following EEOC guidelines and any laws relevant to human resource systems,

ensure that the funds dedicated to IFD are responsibly and efficiently dispersed,

recruit, test and train the best possible candidates for civilian and sworn positions,

ensure that all appropriate purchasing procedures are followed and that all contractors and vendors have an equal and fair opportunity to
do business with IFD.

**SERVICE AREA:** Firefighter Education

**Activities:** Training all fire recruits and 707 incumbent firefighters.

Objective: To properly train all recruit and incumbent firefighters to ensure that they are competent to respond to medical, fire and

rescue emergencies in the Indianapolis area.

#### Service Commitment:

In the coming year, the firefighter education service area will:

ensure that all EMTs and paramedics are trained to respond to medical emergencies,

• provide annual training and retraining in all aspects of structural fire fighting to 707 firefighters,

certify and re-certify 600 firefighters in disciplines such as dive rescue, confined space rescue and hazardous materials emergencies.

SERVICE AREA: Fire Prevention/Public Education

Activities: Ensure enforcement of fire codes and educate the public in fire and life safety skills. These efforts are designed to aid in the

prevention of injury by fire and preventable accidents.

**Objective:** To educate the public in matters related to fire and life safety, and the prevention of accidents. To perform community

outreach programs aimed at bringing awareness to the community about fire prevention in the home.

2006 Annual Budget

### **Department of Public Safety**

#### Service Commitment:

In the coming year, the fire prevention/public education service area will:

- provide quality public education aimed at the prevention and/or survival of structural fires and other emergencies.
- educate more than 50,000 school children in fire safety, accident prevention and survival techniques,
- inspect buildings to ensure compliance to fire codes, and to aid building owner/occupants in their efforts to reach compliance.

#### INDIANAPOLIS FIRE DEPARTMENT PENSION OFFICE

#### Mission Statement

The purpose of the Indianapolis Fire Department Pension Office is to keep records on pensioners' taxes, insurance, and benefits status, and to ensure accurate disbursement of pension payments. The Division maintains two firefighter pension plans, namely, the 1937 Pension Act, funded by the City of Indianapolis, and the 1977 Plan funded by the State of Indiana with contributions by the City to the 1977 Firefighters Pension and Disability Fund. The office also assists families of both retired and active firefighters at the time of death and is the official representative of the Indianapolis Fire Department at the funeral. It is dedicated to serving retired firefighters and their dependents and educating active officers in preparation for their retirement, and is committed to enforcing the laws protecting the Pension Fund.

In 2002, Senate Bill 60 enacted Indiana's Deferred Retirement Option Plan (DROP) into law. This law provides that the plan will run from January 1, 2003 through December 31, 2007. All pension funds are included; the 1925, and1953 Police Pension Funds, as well as the 1937 Firefighters Pension Fund, and the 1977 Police Officers' and Firefighters' Pension and Disability Fund. Generally a DROP is a form of retirement benefit that allows an eligible employee to continue working while the employee is accumulating an amount equal to the benefits that could have been received if the employee had retired. This amount is thus, set aside, and then paid as a lump sum to the employee that has elected into the DROP program, upon their retirement. The Indianapolis Fire Department is now required to appropriate funds for the DROP program, in order to make projected payments to retirees. In 2006, 30 Firefighters have indicated their intention to retire under the DROP program.

#### Highlights of the Indianapolis Fire Department Pension Office

Benefits paid by the Indianapolis Fire Department Pension Fund will increase in 2006 due to the elevation in the pension base, anticipated growth in plan membership, and a contract-mandated increase in the City's contribution to the 1977 Pension Fund. Benefits are paid beginning at 50% of the pension base for a 20-year firefighter increasing to 74% of the pension base for 32 years of service.
